on't you love the early summer. On one of those beautiful sunny warm days, on a spur of the moment we decide to pack an overnight bag, jump in the car and head north to the lakes. We are not even sure where we are headed but it doesn't matter. We spend the day driving thre the back roads stopping at every lake we find. By late afternoon we start looking for lodging, we spot a small sign *Lady Slipper Lodge*. We turn down the drive and to our amazement it is lined with beautiful wild flowers among them stands the majestic lady slipper by the hundreds, we have never seen so many in one place. The lodge was so quaint and inviting we know we have found a treasure and a wonderful place we will visit in the years to come.
