

Quill

Remember, no effort that we make to attain something beautiful is ever lost. ~Helen Keller

3 Sisters

In a world where everything is defined or categorized, 3 Sisters is an exception. Mixing a contemporary color palette with pages taken from old books and vintage floral prints, Quill reflects the sisters' unique style. Taking the name from the pen used to render the drawings and lines of text, shades of pink and green accent grays, aqua and mauve to create a collection that is as sophisticated and eclectic as the sisters themselves.
