7 month BOM project comes as a booklet

An heirloom rose. A beautiful country manor. A classic floral scent that inspires romance and poetry. Rosewood is all these things and more. Effortlessly mixing casual charm with elegance and sophistication, the 3 Sisters have taken a favorite palette of soft tan, chocolate brown, soft blue and vivid red, and used it to color bouquets of flowers, vines and paisleys. Whatever Rosewood means to you... we hope it is something beautiful.

Booklet RQC 1001 Rosewood (shown here) is by Miss Rosie's Quilt Company. Also available as a KIT.
