PRIMITIVE GATHERINGS

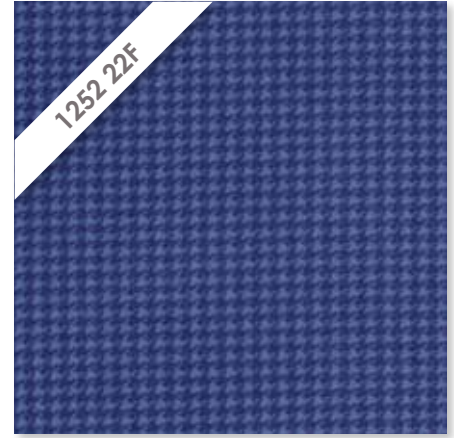

## FLANNELS VI

These new Wool & Needle Flannels are so soft, so luxurious... they're almost decadent.

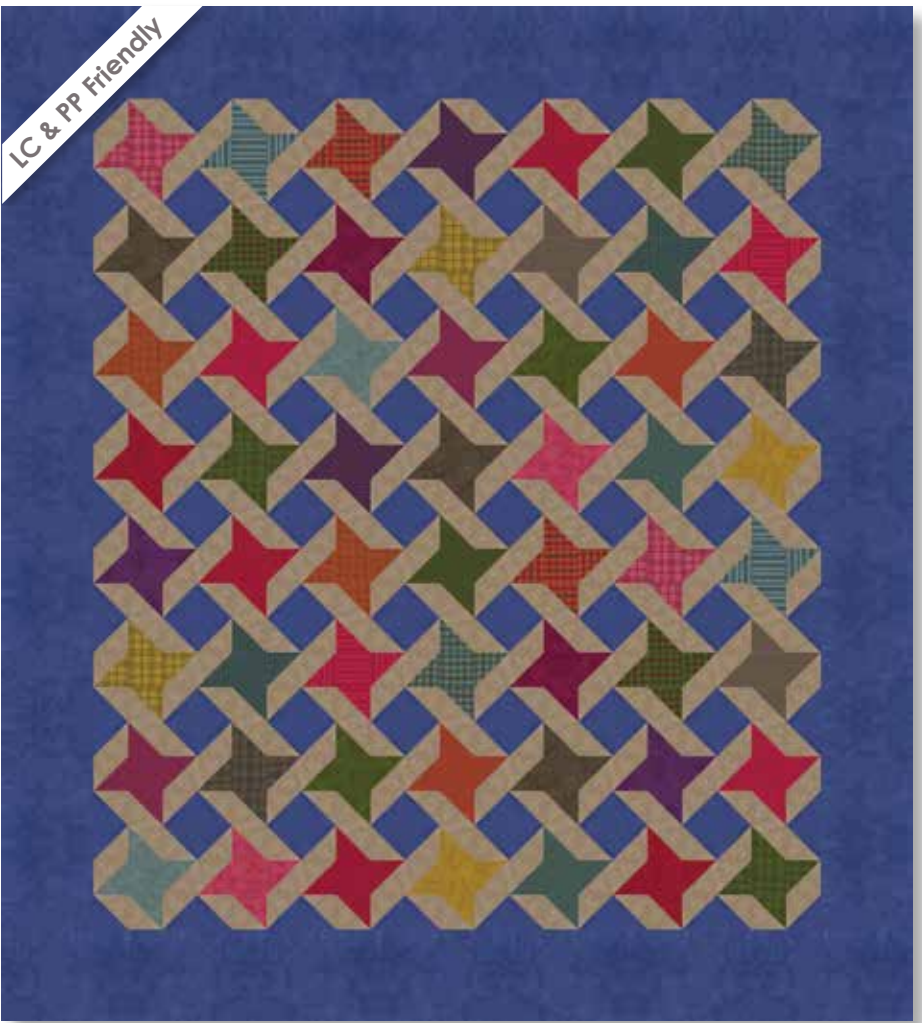

And the colors! Ranging from traditional neutrals like Sand, Oatmeal and Ivy to vibrant shades of Salsa, Grape and Petunia, these printed plaids, stripes, textures and solids are well suited to piecing & applique. They are also a beautiful foundation for wool applique.

Treat yourself to Wool & Needle Flannels VI... you deserve it!
