STACY IEST HSU

First collection – 'Lil Red in 2015

First time you saw your name on the selvage – Over the moon! It was a dream come true.

Favorite Quilt Market memory – My first Market is my favorite memory, in part because it was my first, but mostly because I had a booth next to Sandy Klop of American Jane. She was so nice and I think we laughed the whole time.

Favorite pre-cut – I really love fat quarter bundles. A lot.

Years sewing and quilting – Off and on since I was in 4th grade.

Who taught you to sew – My Mom and the teachers in 4H.
