

AT HOME

with Bonnie & Camille

***The best journey always
takes you home.***

We all know that home is where the heart is and this new collection from Bonnie and Camille comes straight from the heart. We're going back to our Moda beginnings and the mother-daughter colorways that launched our first collection. At Home with Bonnie & Camille pays tribute to that journey by showing where we are going and where we've been.

This collection is full of beautiful florals and textures, vintage prints, and versatile basics and combines the blue, aqua and gray of Camille's home with Bonnie's favorite red, linen and green. Use the color ways separately or mix them to make beautiful quilts to use in every room of your home.

After all, the best journey always takes you home.
